Instructions

Please take these estimates to your financial aid office to understand how much financial aid you are eligible for. You might be eligible for more financial aid than you currently receive if the cost of studying abroad is higher than your costs at your home institution.

Federal financial aid regulations allow the use of financial aid for all "reasonable" expenses associated with study abroad which commonly includes the categories listed in the GLS Fees and Student Expenses sections above (e.g. program fees, transportation, housing, insurance, etc)

The "low" and "high" costs listed in the Student Expenses section are meant to reflect the range of student spending practices.

We will execute "consortium agreements" with your financial aid office as needed to process financial aid. A GLS consortium agreement is included on page 3 of this document but we would be happy to work with the consortium agreement that your university uses.

Consortium agreements can be faxed to: (703) 935-0519, ATTN: Admissions

Please contact your student advisor for more information if needed.

Section I (to be filled out by student)

I understand that I can not receive financial aid at two schools during the same term. I must obtain the approval of my registrar/academic adviser for the courses at my chosen Host Institution. The courses, if approved, will be included in measuring Satisfactory Academic Progress at my home institution. I am aware that I cannot change my enrollment without notifying the Financial Aid Office at my home institution. I will provide an academic transcript from the host institution to my home institution once the term covered by the financial aid consortium agreement has concluded. I am aware that enrollment at another institution may have an impact on my financial aid and that I am responsible for any fees not covered by my financial aid. It is my responsibility as the student to ensure that my aid is in order prior to billing due dates if I expect aid to cover all or part of my fees. Further, I understand I must comply with both the home and host institutions' academic and financial policies.
